Examiner's Comments

1. In the Previous Office Action dated December 31, 2007, the Examiner has mistakenly indicated claim 52 to be both in condition for allowance and at the same time being rejected. Therefore, to clear the record, as requested by the Applicant in the Reply dated 03/14/2008, the Examiner clarifies that the indicated language should not have been included in the Office Action dated December 31, 2007, and that claim 52 is allowed based on the remarks previously set forth by the Applicant. The search has been updated. In all other respects, claim 52 is in condition for allowance.

Allowed claim

2. Claim 52 is allowed.
